

RISC ASSOCIATES NON-EXEC DIRECTOR APPOINTMENT

Colin Culleton and RISC Associates are delighted to report that effective January 2024, Colin is joining RISC Associates as Non-Executive Director.

Colin, Founder / Director of Asset Protect Consulting Ltd since 2019 has a wealth of experience in security, loss prevention & staff safety and has held senior leadership roles with HMV, Jack Wills, Next Plc and LP Services Director for Amberstone Security.

RISC & Colin have enjoyed a successful partnership for a decade, commencing with the development and delivery of a conflict management training programme for Next Plc in 2014, that encompassed the innovative "detect & deter" conflict reduction programme pioneered by Colin, aligned with the bespoke conflict reduction solutions developed by Ed Dunne & Vincent Chang.

Colin commented "I'm absolutely delighted to be working formally with Ed & Vincent to assist them in developing their training services and growing their business in 2024. Ed & Vincent are genuine subject matter experts, gained via a long number of years working in front line roles & senior industry positions and offer best in class training & consultancy services.

I recommended RISC to an APC Ltd client in 2023 and they very quickly understood the bespoke risks faced in a challenging environment and delivered several courses in Q4 with a 96% satisfaction score.....

Managing Director of RISC Associates Edward Dunne said: "We are delighted to welcome Colin into the team. This is a great opportunity for us to combine expertise and offer our clients a comprehensive range of training and enhanced consultancy services across the UK"

To learn more about how RISC Associates can improve the safety & knowledge of your staff in retail, logistics, transport, education & health sectors, please contact Ed or myself, thanks.
